## **INDEPENDENT AUDITOR'S REPORT TO THE UNITHOLDERS OF ANB CAPITAL DIGITAL & IT EQUITY FUND (SHARIAH) (MANAGED BY ANB CAPITAL COMPANY)**

### **Opinion**

We have audited the financial statements of anb Capital Digital & IT Equity Fund (Shariah)(the "Fund") managed by ANB Capital Company (the "Fund Manager"), which comprise the statement of financial position as at 31 December 2025, and the statement of comprehensive income, statement of changes in net assets (equity) attributable to the unitholders and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2025, and its financial performance and its cash flows for the year then ended in accordance with IFRS Accounting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) that is endorsed in the Kingdom of Saudi Arabia that is relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with that code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Other Information included in the Fund's 2025 Annual Report**

Other information consists of the information included in the Fund's 2025 annual report, other than the financial statements and our auditors' report thereon. The Fund manager is responsible for the other information in the Fund's annual report. The Fund's 2025 annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information, and we will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with IFRS Accounting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants, the applicable provisions of the Investment Funds Regulations issued by the Board of the Capital Market Authority, and the Fund's terms and conditions and the Information Memorandum, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (i.e. Fund's board of directors) are responsible for overseeing the Fund's financial reporting process.

Shape the future  
with confidence

**INDEPENDENT AUDITOR'S REPORT  
TO THE UNITHOLDERS OF ANB CAPITAL DIGITAL & IT EQUITY FUND (SHARIAH)  
(MANAGED BY ANB CAPITAL COMPANY) (continued)**

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Shape the future  
with confidence

**INDEPENDENT AUDITOR'S REPORT  
TO THE UNITHOLDERS OF ANB CAPITAL DIGITAL & IT EQUITY FUND (SHARIAH)  
(MANAGED BY ANB CAPITAL COMPANY) (continued)**

**Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes 1 to 19 form an integral part of these financial statements.

# anb capital Digital & IT Equity Fund (Shariah) (Managed by anb capital Company)

---

## NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31 December 2025

### 1 FUND INFORMATION

anb capital Digital & IT Equity Fund (Shariah) (the “Fund”) is an open-ended public equity investment fund. The Fund's investment objective is to grow the capital of unitholders by investing exclusively in the shares of digital and technology companies. The Fund was established on 02 Rajab 1445H (corresponding to 14 January 2024) by anb capital Company (the “Fund Manager”) and started its operation on 14 Ramdan 1445H (corresponding to 24 March 2024). The address of the Fund Manager is P.O. Box 220009, Riyadh 11311, Kingdom of Saudi Arabia.

In accordance with the Capital Market Authority's ("CMA") decision No. 1-83-2005 dated 21 Jumada Awal 1426H (corresponding to 28 June 2005) issued by the CMA Board in connection with the regulations relating to Authorised Persons, the Arab National Bank transferred its asset management operations to the anb capital company ("the Fund Manager"), a wholly owned subsidiary of the Arab National Bank, effective 1 January 2008.

The Fund has appointed AlBilad Investment Company (the “Custodian”) to act as its custodian and registrar. The fees of the custodian and registrar’s services are paid by the Fund.

The Fund Manager is responsible for the overall management of the Fund's activities. The Fund Manager can also enter into arrangements with other institutions for the provision of investment, custody or other administrative services on behalf of the Fund.

### 2. REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the “Regulations”) issued by the CMA on 3 Dhul Hijja 1427H (corresponding to 24 December 2006), and effective from 6 Safar 1438H (corresponding to 6 November 2016) by the New Investment Fund Regulations (“Amended Regulations”) published by the Capital Market Authority on 16 Sha’aban 1437H (corresponding to 23 May 2016), detailing requirements for all funds within the Kingdom of Saudi Arabia. The regulations were further amended by Resolution of the Board of CMA Number 1-135-2025 Dated 03/06/1447H Corresponding to 24/11/2025G.

### 3. BASIS OF PREPARATION

These financial statements have been prepared in accordance with IFRS Accounting Standards as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”) (collectively referred to as “IFRS as endorsed in the KSA”) and applicable provisions of Investment Funds Regulations issued by the Board of Capital Market Authority, Fund’s terms and conditions and Investment memorandum.

These financial statements have been prepared on a historical cost basis, except for investments at fair value through profit or loss which are stated at their fair value.

These financial statements are presented in Saudi Riyal (“**ﷲ**”), which is the functional currency of the Fund, and all values are rounded to the nearest one Saudi Riyal, except where otherwise indicated.

### 4. MATERIAL ACCOUNTING POLICIES

The following are the material accounting policies applied by the Fund in preparing its financial statements:

anb capital Digital & IT Equity Fund (Shariah)  
(Managed by anb capital Company)

---

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**4. MATERIAL ACCOUNTING POLICIES (Continued)**

**4.1 Financial instruments**

The Fund recognises a financial asset or a financial liability when it becomes a party to the contractual provisions of the instrument.

**(i) Classification**

In accordance with IFRS 9, the Fund classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below.

The fund has classified investments in listed equities at fair value through profit or loss. In applying that classification, a financial asset or financial liability is considered to be held for trading if:

- a) It is acquired or incurred principally for the purpose of selling or repurchasing it in the near term;
- b) On initial recognition, it is part of a portfolio of identified financial instruments that are managed together and for which, there is evidence of a recent actual pattern of short-term profit-taking; or
- c) It is a derivative (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument).

**Financial assets**

The Fund classifies its financial assets as subsequently measured at amortised cost or measured at fair value through profit or loss on the basis of both:

- The entity's business model for managing the financial assets
- The contractual cash flow characteristics of the financial asset
- *Financial assets measured at amortised cost*  
A debt instrument is measured at amortised cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
- *Financial assets measured at fair value through profit or loss (FVTPL)*  
A financial asset is measured at fair value through profit or loss if:
  - i. Its contractual terms do not give rise to cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding (SPPI); and
  - ii. It is not held within a business model whose objective is either to collect contractual cash flows, or to both collect contractual cash flows and sell; or
  - iii. At initial recognition, it is irrevocably designated as measured at FVTPL when doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

The Fund investments includes investments in equity instruments which are acquired principally for the purpose of generating a profit from short-term fluctuations in price.

**Financial liabilities**

- *Financial liabilities measured at fair value through profit or loss (FVTPL)*  
A financial liability is measured at FVTPL if it meets the definition of held for trading. The Fund does not hold any financial liabilities measured at FVTPL.
- *Financial liabilities measured at amortised cost*  
This category includes all financial liabilities, other than those measured at fair value through profit or loss.

anb capital Digital & IT Equity Fund (Shariah)  
(Managed by anb capital Company)

---

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**4. MATERIAL ACCOUNTING POLICIES (Continued)**

**4.1 Financial instruments (continued)**

**(ii) Recognition**

Purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Fund commits to purchase or sell the asset.

**(iii) Initial measurement**

Financial assets and financial liabilities at FVTPL are recorded in the statement of financial position at fair value. All transaction costs for such instruments are recognised directly in the statement of comprehensive income.

Financial assets and liabilities (other than those classified as at FVTPL) are measured initially at their fair value including any directly attributable transaction costs.

**(iv) Subsequent measurement**

After initial measurement, the Fund measures financial instruments which are classified as at FVTPL, at fair value. Subsequent changes in the fair value of those financial instruments are recorded in net gain or loss on financial assets and liabilities at FVTPL in the statement of comprehensive income. Interest and dividends earned or paid on these instruments are recorded separately in interest income or expense and dividend income in the statement of comprehensive income.

Financial assets and financial liabilities at amortised cost are subsequently measured at amortised cost using effective commission rate (ECR) method.

**(v) Derecognition of financial instruments**

*Financial assets*

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Fund's statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Fund has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Fund has transferred substantially all the risks and rewards of the asset, or (b) the Fund has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Fund has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Fund continues to recognise the transferred asset to the extent of the Fund's continuing involvement. In that case, the Fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Fund has retained.

*Financial liabilities*

The Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

**(vi) Offsetting of financial instruments**

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the asset and settle the liability simultaneously. This is generally not the case with master netting agreements unless one party to the agreement defaults and the related assets and liabilities are presented gross in the statement of financial position.

anb capital Digital & IT Equity Fund (Shariah)  
(Managed by anb capital Company)

---

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**4. MATERIAL ACCOUNTING POLICIES (Continued)**

**4.1 Financial instruments (continued)**

**(vii) Impairment of financial assets**

The Fund assesses on a forward looking basis the Expected Credit Losses (“ECL”) associated with its financial assets, carried at amortised cost, the ECL is based on a 12-month ECL and lifetime ECL. The 12-month ECL is the portion of lifetime the ECLs that result from default events on a financial instrument that are possible within 12 months after the reporting date. However, when there has been a significant increase in credit risk since origination, the allowance will be based on the lifetime ECL.

**4.2 Cash and cash equivalents**

Cash and cash equivalents in the statement of financial position comprise cash at bank that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, with original maturities of three months or less.

Short-term investments that are not held for the purpose of meeting short-term cash commitments and restricted margin accounts are not considered as ‘cash and cash equivalents.

For the purpose of the statement of cash flows, cash and cash equivalents includes balance held with the bank.

**4.3 Accrued expenses**

Liabilities are recognised for amounts to be paid in the future for services received, whether billed by the suppliers or not. These are initially recognised at fair value and subsequently at amortised cost using the effective interest rate method.

**4.4 Provisions**

Provisions are recognised when the Fund has an obligation (legal or constructive) arising from a past event, and the costs to settle the obligation are both probable and can be measured reliably. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, where appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to passage of time is recognised as finance costs.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured.

**4.5 Zakat and income tax**

Zakat and income tax is the obligation of the Unitholders and is not provided for in these financial statements.

**4.6 Redeemable Units**

Redeemable units are classified as equity instruments when:

- The redeemable units entitle the holder to a pro rata share of the Fund’s net assets in the event of the Fund’s liquidation
- The redeemable units are in the class of instruments that is subordinate to all other classes of instruments
- All redeemable units in the class of instruments that is subordinate to all other classes of instruments have identical features
- The redeemable units do not include any contractual obligation to deliver cash or another financial asset other than the holder’s rights to a pro rata share of the Fund’s net assets

**anb capital Digital & IT Equity Fund (Shariah)**  
**(Managed by anb capital Company)**

---

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

For the year ended 31 December 2025

**4 MATERIAL ACCOUNTING POLICIES (continued)**

**4.6 Redeemable Units (Continued)**

The total expected cash flows attributable to the redeemable units over the life of the instrument are based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund over the life of the instrument.

In addition to the redeemable units having all of the above features, the Fund must have no other financial instrument or contract that has:

- Total cash flows based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund
- The effect of substantially restricting or fixing the residual return to the redeemable shareholders

The Fund continuously assesses the classification of the redeemable units. If the redeemable units cease to have all the features, or meet all the conditions set out, to be classified as equity, the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount recognised in equity. If the redeemable units subsequently have all the features and meet the conditions to be classified as equity, the Fund will reclassify them as equity instruments and measure them at the carrying amount of the liabilities at the date of the reclassification.

The issuance, acquisition and cancellation of redeemable units are accounted for as equity transactions. No gain or loss is recognised in the statement of comprehensive income on the purchase, issuance or cancellation of the Fund's own equity instruments.

**4.7 Net assets value per unit**

Net assets value per unit as disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units outstanding at period end.

**4.8 Dividend income**

Dividend income is recognised in statement of comprehensive income on the date on which the right to receive the payment for dividend is established. For quoted equity securities, this is usually the ex-dividend date. Dividend income from equity securities designated as at FVTPL is recognised in statement of comprehensive income in a separate line item.

**4.9 Net gain or loss on financial assets at fair value through profit or loss ("FVTPL")**

Net gains or losses on financial assets and liabilities at FVTPL are changes in the fair value of financial assets and liabilities held for trading or designated upon initial recognition as at FVTPL and exclude special commission and dividend income and expenses.

Unrealized gains and losses comprise changes in the fair value of financial instruments for the period and from reversal of the prior period's unrealized gains and losses for financial instruments, which were realized in the reporting period. Realized gains and losses on disposals of financial instruments classified as at FVTPL are calculated using the weighted average cost method. They represent the difference between an instrument's initial carrying amount and disposal proceeds at the time of disposal.

**4.10 Management fees**

Fund management fees are recognised on accrual basis and charged to the statement of comprehensive income. Fund management fee is charged at agreed rates with the Fund Manager and as stated in the terms and conditions of the Fund.

anb capital Digital & IT Equity Fund (Shariah)  
(Managed by anb capital Company)

---

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**4. MATERIAL ACCOUNTING POLICIES (Continued)**

**4.11 Fair value of financial instruments**

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability; or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value for financial instruments traded in active markets at the reporting date is based on their closing price on the reporting date.

The Fund uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This is described, as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in financial statements at fair value on a recurring basis, the Fund determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each period. The Fund determines the policies and procedures for both recurring fair value measurement, and for non-recurring measurement.

At each reporting date, the Fund analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Fund's accounting policies. For this analysis, the Fund verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. The Fund also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Fund has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above.

**4.12 Foreign currency translation**

Transactions in foreign currencies are translated into Saudi Riyals (ﷲ) at the exchange rate at the dates of the transactions. Foreign exchange gains and losses arising from translations are included in the statement of comprehensive income.

Monetary assets and liabilities denominated in foreign currencies are retranslated into ﷲ at the exchange rate at the reporting date.

Foreign currency differences arising on retranslation are recognised in the statement of comprehensive income as net foreign exchange losses, except for those arising on financial instruments at FVTPL, which are recognised as a component of net gain from financial instruments at FVTPL.

**4.13 Expenses**

Expenses are measured and recognised as expenses on an accrual basis in the year in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**5. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS**

**Use of judgments and estimates**

The preparation of the financial statements in conformity with International Financial Reporting Standards endorsed in the Kingdom of Saudi Arabia requires the management to make judgments, estimates and assumptions that affect application of accounting policies and the reported amounts of assets and liabilities, revenues and expenses. These estimates and judgments are based on management's best knowledge of current events and actions and other factors that form a base for estimating the carrying amount of assets and liabilities which cannot be easily determined from other sources. Actual results may differ from those estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Adjustments to accounting estimates are recognized prospectively.

**5.1 Impairment of Non-derivative Financial Assets**

The Fund recognizes allowances for expected credit losses ("ECL") for financial assets measured at amortized cost such as cash and cash equivalent and other receivable. The Fund assesses future credit losses using ECL model for financial assets measured at amortized cost. The Fund applies the simplified approach, which measures the loss allowance at an amount equal to lifetime expected credit losses for all cash and cash equivalent and other receivables since the of initial recognition. Given the short-term nature of these balances and the fact that they are held with high-credit-quality financial institutions, management has assessed that there has been no significant increase in credit risk since initial recognition. Accordingly, these balances are classified as Stage 1, and the ECL assessment is based on 12-month expected credit losses. Based on this assessment, management concluded that the expected credit losses on cash and cash equivalents are immaterial, and therefore no ECL allowance has been recognised in the financial statements.

**5.2 Fair value measurements of financial instruments**

When the fair value of the financial assets and liabilities in the statement of financial position cannot be measured based on Quoted prices in active market, when IFRS require those assets or liabilities to be measured based on fair value, their fair value is determined using valuation techniques including using the present value of expected cash flows or any other techniques as stated in IFRS (13). The inputs to these techniques are taken from active markets, where possible. However, if this is not possible, a degree of judgment is required to determine the fair value and such estimates take liquidity risk, credit risk and volatility into account. Changes in the assumptions relating to these factors can affect the reported fair value of the financial instruments.

**5.3 Going Concern**

The Fund's Board of Directors in conjunction with the Fund Manager, made an assessment of the Fund's ability to continue as a going concern and are satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, they are not aware of any material uncertainties that may cast significant doubt upon the Fund's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on the going concern basis.

anb capital Digital & IT Equity Fund (Shariah)  
(Managed by anb capital Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**6. NEW STANDARDS, REGULATIONS, AMENDMENTS AND INTERPRETATIONS ADOPTED BY THE FUND**

**6.1 *New standards, amendments and interpretations adopted by the Fund***

The following new and amended accounting standards and interpretations became applicable for annual periods beginning on or after January 1, 2025.

| <b>Standard, interpretation and amendments</b> | <b>Description</b>   | <b>Effective date</b> |
|--|--|-----------------------|
| Amendment to IAS 21 – Lack of exchangeability  | IASB amended IAS 21 to add requirements to help in determining whether a currency is exchangeable into another currency, and the spot exchange rate to use when it is not exchangeable. Amendment set out a framework under which the spot exchange rate at the measurement date could be determined using an observable exchange rate without adjustment or another estimation technique. | 1 January 2025        |

There are other new standards and interpretations which became applicable for annual periods beginning on or after January 1, 2025 and had no material impact, therefore, not presented in the notes to these financial statements.

**6.2 *Standards issued but not yet effective***

The new and amended standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Fund's financial statements are disclosed below. The Fund intends to adopt these new and amended standards and interpretations, if applicable, when they become effective.

| <b>Standard, interpretation and amendments</b>  | <b>Description</b>  | <b>Effective date</b>   |
|---|---|-------------------------|
| Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture | Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.                             | Effective date deferred |
| Amendments to IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures                                | Under the amendments, certain financial assets including those with ESG-linked features could now meet the SPPI criterion, provided that their cash flows are not significantly different from an identical financial asset without such a feature. The IASB has amended IFRS 9 to clarify when a financial asset or a financial liability is recognized and derecognized and to provide an exception for certain financial liabilities settled using an electronic payment system. | January 1, 2026         |
| Amendments to IFRS 9 and IFRS 7 Contracts referencing Nature-dependent Electricity                                      | Contracts Referencing Nature-dependent Electricity amends IFRS 9 Financial Instruments and IFRS 7 Financial Instruments: Disclosures to more faithfully reflect the effects of contracts referencing nature-dependent electricity on an entity's financial statements.  | January 1, 2026         |

anb capital Digital & IT Equity Fund (Shariah)  
(Managed by anb capital Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**6. NEW STANDARDS, REGULAIONS, AMENDMENTS AND INTERPRETATIONS ADOPTED BY THE FUND (Continued)**

**6.2 Standards issued but not yet effective(continued)**

| Standard, interpretation and amendments   | Description   | Effective date                       |
|---|---|--------------------------------------|
| Annual improvements to IFRS – Volume 11   | Annual improvements are limited to changes that either clarify the wording in an Accounting Standard or correct relatively minor unintended consequences, oversights or conflicts between the requirements in the Accounting Standards. The 2024 amendments are to the following standards: IFRS 1 First-time Adoption of International Financial Reporting Standards; IFRS 7 Financial Instruments: Disclosures and its accompanying Guidance on implementing IFRS 7; IFRS 9 Financial Instruments; IFRS 10 Consolidated Financial Statements; and IAS 7 Statement of Cash Flows.  | January 1, 2026                      |
| IFRS 18, Presentation and Disclosure in Financial Statements  | IFRS 18 provides guidance on items in statement of profit or loss classified into five categories: operating; investing; financing; income taxes and discontinued operations It defines a subset of measures related to an entity’s financial performance as ‘management-defined performance measures’ (‘MPMs’). The totals, subtotals and line items presented in the primary financial statements and items disclosed in the notes need to be described in a way that represents the characteristics of the item. It requires foreign exchange differences to be classified in the same category as the income and expenses from the items that resulted in the foreign exchange differences. | January 1, 2027                      |
| IFRS 19, Subsidiaries without Public Accountability: Disclosures  | IFRS 19 allows eligible subsidiaries to apply IFRS Accounting Standards with the reduced disclosure requirements of IFRS 19. A subsidiary may choose to apply the new standard in its consolidated, separate or individual financial statements provided that, at the reporting date it does not have public accountability, and its parent produces consolidated financial statements under IFRS Accounting Standards.   | January 1, 2027                      |
| Amendments to IFRS 10 and IAS 28- Sale or Contribution of Assets between an Investor and its Associate or Joint Venture | Partial gain or loss recognition for transactions between an investor and its associate or joint venture only apply to the gain or loss resulting from the sale or contribution of assets that do not constitute a business as defined in IFRS 3 Business Combinations and the gain or loss resulting from the sale or contribution to an associate or a joint venture of assets that constitute a business as defined in IFRS 3 is recognized in full.   | Effective date deferred indefinitely |

**11. TRANSACTIONS WITH RELATED PARTIES**

Related parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. In considering each possible related party relationship, attention is directed to the substance of the relationship, not merely the legal form.

Related parties of the Fund comprise anb capital (being the Fund Manager, the Fund’s Board of Directors and administrator of the Fund), mutual funds managed by the Fund Manager and The Arab National Bank (“ANB”) (being significant shareholder of the Fund Manager).

In the ordinary course of its activities, the Fund transacts business with Fund Manager and related parties. Related party transactions are governed by limits set by the regulations issued by CMA. All the related party transactions are undertaken at mutually agreed prices and approved by the Fund Manager. These transactions were carried out on the basis of approved Terms and Conditions of the Fund.

| <i>Related party</i>          | <i>Nature of transactions</i> | <i>Amount of transactions</i> |             | <i>Balance</i> |             |

**13. FAIR VALUE OF FINANCIAL INSTRUMENTS**

The Fund measures its investments in financial instruments, at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Fund. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value for financial instruments traded in active markets at the reporting date is based on their closing price on the reporting date and level 1 inputs are quoted prices in active market at reporting date

The Fund has only investments at fair value through profit or loss which is measured at fair values and are classified within level 1 of the fair value hierarchy. There were no transfers between various levels of fair value hierarchy during the current period or prior period.

**FAIR VALUE HIERARCHY**

The following table provides the fair value measurement hierarchy of the Fund's financial assets as at 31 December 2025 There are no other financial assets or financial liabilities measured at fair value.

|   | Total<br>₹        | <i>Fair value measurement using</i>                           |   |   |
|---|-------------------|---|---|---|
|   |                   | <i>Quoted prices in<br/>active markets<br/>(Level 1)</i><br>₹ | <i>Significant<br/>observable<br/>inputs<br/>(Level 2)</i><br>₹ | <i>Significant<br/>unobservable<br/>inputs<br/>(Level 3)</i><br>₹ |
| <b><i>As at 31 December 2025</i></b>                  |                   |   |   |   |
| <b><i>Financial assets measured at fair value</i></b> |                   |   |   |   |
| Financial assets at FVTPL                             | 43,106,820        | 43,106,820  | -   | -   |
|   | <u>43,106,820</u> | <u>43,106,820</u>   | <u>-</u>  | <u>-</u>  |

Management believes that the fair value of all other financial assets and liabilities at the reporting date approximate their carrying due to their short-term maturity. Cash and cash equivalents are readily liquid, while management fees payable and accrued expenses are non-interest-bearing and settle within a short period.

anb capital Digital & IT Equity Fund (Shariah)  
(Managed by anb capital Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

For the year ended 31 December 2025

**14. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES**

The Fund's principal financial liabilities are management fees payable and accrued expenses. The Fund also has financial assets in the form of cash and cash equivalents and financial assets at FVTPL which are integral and directly derived out of its regular business.

The Fund's financial operations are exposed to following risks.

***Credit risk***

Credit risk refers to the risk that a party to a financial instrument will default on its contractual obligations resulting in financial loss to the Fund. The Fund has adopted a policy of only dealing with creditworthy counterparties, for whom the credit risk is assessed to be low. The Fund attempts to control credit risk by monitoring credit exposures, limiting transactions with specific non-related counterparties, and continually assessing the creditworthiness of such non-related counterparties. The Fund maintains bank accounts with high credit rated financial institutions.

The table below shows the Fund's maximum exposure to credit risk for components of the statement of financial position as at 31 December 2025.

|                           | 2025<br>₹        | 2024<br>₹        |
|---------------------------|------------------|------------------|
| Cash and cash equivalents | 1,145,291        | 2,463,447        |
|                           | <u>1,145,291</u> | <u>2,463,447</u> |

The management has conducted an assessment as required under IFRS 9 and based on such an assessment, the management believes that no allowances for expected credit losses is required to be recognised against cash and cash equivalents as credit risk is low.

***Liquidity risk***

Liquidity risk is the risk that the Fund will encounter difficulty in releasing funds to meet commitments associated with financial liabilities. Liquidity risk may result from an inability to sell a financial asset quickly at an amount close to its fair value.

The Fund's terms and conditions provide for redemptions of units twice a week and it is, therefore, exposed to the liquidity risk of meeting unitholders redemptions. The Fund's investments at fair value through profit and loss are considered to be readily realisable, as the equity investments are listed on the Saudi stock market and can be sold any time throughout the week. The Fund Manager monitors liquidity requirements on a regular basis and seeks to ensure that sufficient funds to meet commitments as they arise.

The undiscounted value of all financial liabilities of the Fund at the reporting date approximate to their carrying values and all are to be settled within one period from the reporting date.

***Market risk***

Market risk is the risk that changes in market prices - such as foreign exchange rates, special commission rates and equity prices will affect the Fund's income or the fair value of its holdings in financial instruments.

The Fund's strategy for the management of market risk is driven by the Fund's investment objective as per Fund's terms and conditions. The Fund's market risk is managed on a timely basis by the Fund Manager in accordance with the policies and procedures in place. The Fund's market positions are monitored on a timely basis by the Fund Manager.

***Equity price risk***

Equity price risk is the risk that the fair value of financial instruments will fluctuate because of changes in market prices. The Fund's investments are susceptible to market price risk arising from uncertainties about future prices. The Fund Manager manages this risk through diversification of its investment portfolio in terms of sector concentration.

14. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES (Continued)

*Sensitivity analysis*

The Fund's financial assets at FVTPL are subject to equity price risk. According to the Fund's management, the effect on the statement of comprehensive income as a result of a change in fair value of equity instruments due to a reasonable possible change in equity indices, with all other variables held constant is as follows:

| <i>Effect on profit and loss</i>   | <i>For the year Ended 31 December 2025</i> |             | <i>For the Period from 24 March 2024 to 31 December 2024</i> |             |
|--|--|-------------|--|-------------|
|  |  | <i>₪</i>    |  | <i>₪</i>    |
| <i>Net movement in unrealised gain / (loss) on financial assets at FVTPL</i> | +5%  | 2,155,341   | +5%  | 2,831,316   |
|  | -5%  | (2,155,341) | -5%  | (2,831,316) |

*Concentration of equity price risk*

The following table analyses the Fund's concentration of equity price risk in the Fund's equity portfolio, measured at FVTPL by geographical distribution (based on counterparties' place of primary listing or, if not listed, place of domicile).

| <i>% of equity securities and units in funds</i> | 2025 | 2024 |
|--|------|------|
| Kingdom of Saudi Arabia                          | 100% | 100% |

15. MATURITY ANALYSIS OF ASSETS AND LIABILITY

The table below summarizes the maturity profile of the Fund's financial assets and liabilities based on contractual undiscounted receipts and payments:

|                               | <i>No fixed maturity</i> | <i>Within 12 months</i> | <i>After 12 months</i> | <i>Total</i>      |

**16. LAST VALUATION DAY**

The last valuation day of the period was 31 December 2025.

**17. ZAKAT**

On 22 March 2024, Minister of Finance's issued its decision No. (1007) approving the new Zakat regulations (ZR), which will be applied to the fiscal years starting on or after 1/1/2024. According to Article Seventy-Six of the new Zakat regulations Funds required to register with the Zakat, Tax, and Customs Authority (ZATCA) before the end of the first fiscal year and mandate Investment Funds to submit a Zakat information declaration to ZATCA within 120 days after the end of their fiscal year, which should include audited financial statements, records of related party transactions, and any other data requested by ZATCA. The Fund is obliged to provide the unit owner with the necessary information to calculate their Zakat liability. Funds are not subject to the collection of Zakat in accordance with the regulations.

**18. SUBSEQUENT EVENTS**

Subsequent to the reporting date, geopolitical tensions in parts of the Middle East have increased. Public communications from government and regulatory authorities have continued to emphasise the resilience of the economy and the continuation of business operations across key sectors, supported by established business continuity and risk management frameworks.

These developments arose after the reporting period and have therefore been assessed as non-adjusting events in accordance with IAS 10 Events after the Reporting Period. Accordingly, no adjustments have been made to the amounts recognised in the financial statements as at 31 December 2025, which reflect conditions existing at that date.

The Fund has assessed the potential implications of these events on its operations, financial position and performance. Based on information currently available, including the continuation of core business activities, it is not practicable to reliably estimate the full financial effect of these non-adjusting events on future periods.

**19. APPROVAL OF FINANCIAL STATEMENTS**

The financial statements were approved by the Fund's Board of Directors on 07 Shawwal 1447H (corresponding to 26 March 2026G).
