أ- معلومات عن صندوق الاستثمار

1- اسم صندوق الاستثمار	صندوق العربي المالية المتوازن
2- أهداف وسياسات الاستثمار وممارساته.	يهدف الصندوق الى تحقيق عوائد إيجابية خلال مدة متوسطة الأجل والعمل على موازنة المخاطر من خلال الاستثمار في صناديق متنوعة مثل الأسهم والصناديق العقارية والسندات والتقد في أسواق عالمية مختلفة. ونظراً لطبيعة الصندوق المتوازنة، ستكون نسبة الاستثمار في الأسهم قريبة من نسبة الاستثمار في الأدوات الأخرى مثل السندات والتقد. وستتم إدارة الصندوق بصورة نشطة بحيث يقوم مدير الصندوق، وبصورة دورية، بتقييم الأصول المختلفة من ناحية استثمارية وتقييم أوضاع أسواق الاستثمار بصورة عامة ومن ثم اختيار أفضل الأصول المتاحة للاستثمار مع مراعاة وزن تلك الأصول في مؤشر الصندوق، وسيعمل مدير الصندوق على تحقيق أداء أعلى من أداء المؤشر دون أي ضمان من المدير لذلك أو مسؤولية عليه بهذا الخصوص.
3- سياسة توزيع الدخل والأرباح	الصندوق هو عبارة عن صندوق تراكم دخل يعاد استثمار صافي دخله فيه، بما في ذلك الأرباح الموزعة على الأسهم، ولا يتم توزيعه على شكل حصص في الأرباح على وحدات الاستثمار.
4- تقديم تقارير الصندوق	وفقاً للائحة صناديق الاستثمار سيقوم مدير الصندوق بإعداد التقارير السنوية (بما في ذلك القوائم المالية السنوية المراجعة) والبيان ربع السنوي واطاحتها في الموقع الإلكتروني لمدير الصندوق والموقع الإلكتروني للسوق أو أي موقع آخر تحدده هيئة السوق المالية وستكون تلك التقارير متاحة لكل مشترك بناءً على طلب كتابي منه بدون تحميله أي مصاريف نظير ذلك.
5- وصف المؤشر الاسترشادي للصندوق، والموقع الإلكتروني لمزود الخدمة	المؤشر الإسترشادي للصندوق يتكون من 50% معدل سعر الفائدة بين البنوك (لايبورا) شهر واحد، و25% مورقان ستانلي للأسهم العالمية، و25% مؤشر تداول لجميع الأسهم السعودية. وسيعمل مدير الصندوق على تحقيق أداء أعلى من أداء المؤشر دون أي ضمان من المدير لذلك أو مسؤولية عليه بهذا الخصوص. ويمكن الحصول على معلومات حول أداء الصندوق مقارنة بمؤشره في الموقع الإلكتروني لمدير الصندوق www.anbcapital.com.sa

(Managed by anb capital Company)
(Previously, Arab National Investment Company)

**FINANCIAL STATEMENTS AND INDEPENDENT
AUDITOR'S REPORT**

31 DECEMBER 2023

**INDEPENDENT AUDITOR'S REPORT
TO THE UNITHOLDERS OF ANB CAPITAL BALANCED FUND
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)**

Opinion

We have audited the financial statements of anb capital Balanced Fund (the "Fund") managed by anb capital Company (the "Fund Manager"), which comprise the statement of financial position as at 31 December 2023, and the statement of comprehensive income, statement of changes in net assets (equity) attributable to the unitholders and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2023, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) that is endorsed in the Kingdom of Saudi Arabia that is relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with that code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information included in the Fund's 2023 Annual Report

The Fund manager is responsible for the other information in the Fund's annual report. Other information consists of the information included in the Fund's 2023 annual report, other than the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the financial statements does not cover the other information, and we will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Fund's annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants, the applicable provisions of the Investment Funds Regulations issued by the Board of the Capital Market Authority, and the Fund's terms and conditions and the Information Memorandum, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT
TO THE UNITHOLDERS OF ANB CAPITAL BALANCED FUND
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)
(continued)**

**Responsibilities of Management and Those Charged with Governance for the Financial Statements
(continued)**

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with

International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
-

**INDEPENDENT AUDITOR'S REPORT
TO THE UNITHOLDERS OF ANB CAPITAL BALANCED FUND
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)
(continued)**

Auditor's Responsibilities for the Audit of the Financial Statements (continued)

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

anb capital Balanced Fund
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)

NOTES TO THE FINANCIAL STATEMENTS

At 31 December 2023

1. FUND INFORMATION

anb capital Balanced Fund (Previously, Al-Arabi Balanced Fund) (the “Fund”) is an open-ended fund. The objective of the Fund is to achieve mid-term positive returns and to balance risk by investing in a range of mutual funds. Given the distribution of the fund’ assets, the fund is considered a moderate risk investment, designed for investors seeking to invest in mid-term investment., The Fund was established on 3 Rabi Awal 1422H (corresponding to 26 May 2001) by Arab National Bank (the “Bank”) which is now managed by anb capital Company (previously, Arab National Investment Company) (the “Fund Manager”). The address of the Fund Manager is P.O. Box 220009, Riyadh 11311, Kingdom of Saudi Arabia.

In accordance with the Capital Market Authority’s (CMA) decision No. 1-83-2005 dated 21 Jumada Awal 1426H (corresponding to 28 June 2005) issued by the CMA Board in connection with the regulations relating to Authorised Persons, the Bank has transferred its asset management operations to anb capital Company (previously, Arab National Investment Company) (“the Fund Manager”), a wholly owned subsidiary of the Bank, effective 1 January 2008.

The Fund has appointed AlBilad Investment Company (the “Custodian”) to act as its custodian and registrar. The Fund Manager is responsible for the overall management of the Fund’s activities. The Fund Manager can also enter into arrangements with other institutions for the provision of investment, custody or other administrative services on behalf of the Fund.

On 29 September 2022, the Fund’s Board of Directors resolved to change the name of the Fund from Al-Arabi Balanced Fund to ANB Capital Balanced Fund. The legal procedures for CMA approval for change in the Fund’s name were completed on 03 October 2022.

2. REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the “Regulations”) issued by the CMA on 3 Dhul Hijja 1427H (corresponding to 24 December 2006), and effective from 6 Safar 1438H (corresponding 6 November 2016) by the New Investment Fund Regulations (“Amended Regulations”) published by the Capital Market Authority on 16 Sha’aban 1437H (corresponding to 23 May 2016), detailing requirements for all funds within the Kingdom of Saudi Arabia. The regulations were further amended by Resolution of the Board of CMA number 2-22-2021 dated 1 Rajab 1442H (corresponding to 24 February 2021). The amended regulations were effective form 19 Ramadan 1442H (corresponding to 1 May 2021)

3. BASIS OF PREPARATION AND CHANGES TO ACCOUNTING POLICIES

3.1 BASIS OF PREPARATION

These financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”) as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organization for Chartered and Professional Accountants (“SOCPA”) (collectively referred to as “IFRS as endorsed in the KSA”).

These financial statements have been prepared on a historical cost basis, except for investments at fair value through profit or loss which are stated at their fair value. These financial statements are presented in US Dollar (“USD”), which is the functional currency of the Fund, and all values are rounded to the nearest one US Dollar, except where otherwise indicated.

4. MATERIAL ACCOUNTING POLICIES

The following are the material accounting policies applied by the Fund in preparing its financial statements:

4.1 Financial instruments

(i) Classification

In accordance with IFRS 9, the Fund classifies its financial assets and financial liabilities at initial recognition into the categories of financial assets and financial liabilities discussed below.

anb capital Balanced Fund
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

At 31 December 2023

4. MATERIAL ACCOUNTING POLICIES (Continued)

4.1 Financial instruments (continued)

(i) Classification (continued)

The fund has classified investments in public mutual funds at fair value through profit or loss. In applying that classification, a financial asset or financial liability is considered to be held for trading if:

- a) It is acquired or incurred principally for the purpose of selling or repurchasing it in the near term or
- b) On initial recognition, it is part of a portfolio of identified financial instruments that are managed together and for which, there is evidence of a recent actual pattern of short-term profit-taking or
- c) It is a derivative (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument)

Financial assets

The Fund classifies its financial assets as subsequently measured at amortised cost or measured at fair value through profit or loss on the basis of both:

- The entity's business model for managing the financial assets; and
 - The contractual cash flow characteristics of the financial asset
- Financial assets measured at amortised cost
A debt instrument is measured at amortised cost if it is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
 - Financial assets measured at fair value through profit or loss (FVTPL)
A financial asset is measured at fair value through profit or loss if:
 - i. Its contractual terms do not give rise to cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding (SPPI); and
 - ii. It is not held within a business model whose objective is either to collect contractual cash flows, or to both collect contractual cash flows and sell; or
 - iii. At initial recognition, it is irrevocably designated as measured at FVTPL when doing so eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognising the gains and losses on them on different bases.

The Fund investments includes investment in mutual fund instruments which are acquired principally for the purpose of generating a profit from short-term fluctuations in price and classified at fair value through profit or loss.

Financial liabilities

- Financial liabilities measured at fair value through profit or loss (FVTPL)
A financial liability is measured at FVTPL if it meets the definition of held for trading. The Fund does not hold any financial liabilities measured at FVTPL.
- Financial liabilities measured at amortised cost
This category includes all financial liabilities, other than those measured at fair value through profit or loss.

(ii) Recognition

The Fund recognises a financial asset or a financial liability when it becomes a party to the contractual provisions of the instrument.

Purchases or sales of financial assets that require delivery of assets within the time frame generally established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Fund commits to purchase or sell the asset.

anb capital Balanced Fund
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

At 31 December 2023

4. MATERIAL ACCOUNTING POLICIES (Continued)

4.1 Financial instruments (continued)

(iii) Initial measurement

Financial assets and financial liabilities at FVTPL are recorded in the statement of financial position at fair value. All transaction costs for such instruments are recognised directly in profit or loss.

Financial assets and liabilities (other than those classified as at FVTPL) are measured initially at their fair value including any directly attributable incremental costs of acquisition or issue.

(iv) Subsequent measurement

After initial measurement, the Fund measures financial instruments which are classified as at FVTPL, at fair value. Subsequent changes in the fair value of those financial instruments are recorded in net gain or loss on financial assets and liabilities at FVTPL in the statement of comprehensive income. Interest and dividends earned or paid on these instruments are recorded separately in interest income or expense and dividend income in the statement of comprehensive income.

(v) Derecognition of financial instruments

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Fund's statement of financial position) when:

- The rights to receive cash flows from the asset have expired; or
- The Fund has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Fund has transferred substantially all the risks and rewards of the asset, or (b) the Fund has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Fund has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership.

When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Fund continues to recognise the transferred asset to the extent of the Fund's continuing involvement. In that case, the Fund also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Fund has retained.

The Fund derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

(vi) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the statement of financial position if, and only if, there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realise the asset and settle the liability simultaneously. This is generally not the case with master netting agreements unless one party to the agreement defaults and the related assets and liabilities are presented gross in the statement of financial position.

anb capital Balanced Fund
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

At 31 December 2023

4. MATERIAL ACCOUNTING POLICIES (Continued)

4.2 Cash and cash equivalents

Cash and cash equivalents in the statement of financial position comprise cash on hand and short-term deposits in banks that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, with original maturities of three months or less.

Short-term investments that are not held for the purpose of meeting short-term cash commitments and restricted margin accounts are not considered as 'cash and cash equivalents.

For the purpose of the statement of cash flows, cash and cash equivalents includes balance held with the custodian.

4.3 Accrued expenses

Liabilities are recognised for amounts to be paid in the future for services received, whether billed by the suppliers or not. These are initially recognised at fair value and subsequently at amortised cost using the effective interest rate method.

4.4 Provisions

Provisions are recognised when the Fund has an obligation (legal or constructive) arising from a past event, and the costs to settle the obligation are both probable and can be measured reliably. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, where appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to passage of time is recognised as finance costs.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured.

4.5 Zakat and income tax

Under the current system of taxation in the Kingdom of Saudi Arabia the Fund is not liable to pay any Zakat or income tax as they are considered to be the obligation of the Unitholders and as such, these are not provided in the financial statements.

4.6 Redeemable Units

Redeemable units are classified as equity instruments when:

- The redeemable units entitle the holder to a pro rata share of the Fund's net assets in the event of the Fund's liquidation
- The redeemable units are in the class of instruments that is subordinate to all other classes of instruments
- All redeemable units in the class of instruments that is subordinate to all other classes of instruments have identical features
- The redeemable units do not include any contractual obligation to deliver cash or another financial asset other than the holder's rights to a pro rata share of the Fund's net assets

The total expected cash flows attributable to the redeemable units over the life of the instrument are based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund over the life of the instrument.

anb capital Balanced Fund
(Previously, Al-Arabi Balanced Fund)
(Managed by anb capital Company)
(Previously, Arab National Investment Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

At 31 December 2023

4 MATERIAL ACCOUNTING POLICIES (continued)

4.6 Redeemable Units (Continued)

In addition to the redeemable shares having all of the above features, the Fund must have no other financial instrument or contract that has:

- Total cash flows based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund
- The effect of substantially restricting or fixing the residual return to the redeemable shareholders

The Fund continuously assesses the classification of the redeemable shares. If the redeemable shares cease to have all the features, or meet all the conditions set out, to be classified as equity, the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount recognised in equity. If the redeemable shares subsequently have all the features and meet the conditions to be classified as equity, the Fund will reclassify them as equity instruments and measure them at the carrying amount of the liabilities at the date of the reclassification.

The issuance, acquisition and cancellation of redeemable shares are accounted for as equity transactions.

No gain or loss is recognised in the statement of comprehensive income on the purchase, issuance or cancellation of the Fund's own equity instruments.

The capital of the Fund is USD 1,659,500 (2022: USD 3,272,560) divided into 165,950 (2022: 327,256) participating units of USD 10 par value. All issued participating units are fully paid. The Fund's capital is represented by these participating units and are classified as equity instruments. The units are entitled to payment of a proportionate share of the Fund's net asset value upon winding up of the Fund.

4.7 Net assets value per unit

Net assets value per unit as disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units outstanding at year end.

4.8 Dividend income

Dividend income is recognised in statement of comprehensive income on the date on which the right to receive the payment for dividend is established. For quoted equity securities, this is usually the ex-dividend date. Dividend income from equity securities designated as at FVTPL is recognised in statement of comprehensive income in a separate line item.

4.9 Net gain or loss on financial assets at fair value through profit or loss ("FVTPL")

Net gains or losses on financial assets and liabilities at FVTPL are changes in the fair value of financial assets and liabilities held for trading or designated upon initial recognition as at FVTPL and exclude special commission and dividend income and expenses.

Unrealised gains and losses comprise changes in the fair value of financial instruments for the year and from reversal of the prior year's unrealised gains and losses for financial instruments, which were realised in the reporting period. Realised gains and losses on disposals of financial instruments classified as at FVTPL are calculated using the weighted average cost method. They represent the difference between an instrument's initial carrying amount and disposal amount, or cash payments or receipts made on derivative contracts (excluding payments or receipts on collateral margin accounts for such instruments).

4.10 Management fees

Fund management fees are recognised on accrual basis and charged to the statement of comprehensive income. Fund management fee is charged at agreed rates with the Fund Manager and as stated in the terms and conditions of the Fund.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

At 31 December 2023

4. MATERIAL ACCOUNTING POLICIES (Continued)

4.11 Fair value of financial instruments

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Fund uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

The fair value for financial instruments traded in active markets at the reporting date is based on their closing NAV on the reporting date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy. This is described, as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in financial statements at fair value on a recurring basis, the Fund determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each year. The Fund determines the policies and procedures for both recurring fair value measurement, and for non-recurring measurement.

At each reporting date, the Fund analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Fund's accounting policies. For this analysis, the Fund verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents. The Fund also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Fund has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy, as explained above. Fair value related disclosures for financial instruments that are measured at fair value or where fair values are disclosed are discussed in note 10.

4.12 Foreign currency translation

Transactions in foreign currencies are translated into United States Dollar (USD) at the exchange rate at the dates of the transactions. Foreign exchange gains and losses arising from translations are included in the statement of comprehensive income.

Monetary assets and liabilities denominated in foreign currencies are retranslated into USD at the exchange rate at the reporting date.

(Previously, Arab National Investment Company)

NOTES TO THE FINANCIAL STATEMENTS (Continued)

At 31 December 2023

4. MATERIAL ACCOUNTING POLICIES (Continued)

4.12 Foreign currency translation (continued)

Foreign currency differences arising on retranslation are recognised in the statement of comprehensive income as net foreign exchange losses, except for those arising on financial instruments at FVTPL, which are recognised as a component of net gain from financial instruments at FVTPL

5. USE OF ESTIMATES AND JUDGMENTS

The preparation of these financial statements in accordance with IFRS requires the use of certain critical accounting judgements, estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires the Fund Manager to exercise its judgement in the process of applying the Fund's accounting policies. Such judgements, estimates and assumptions are continually evaluated and are based on historical experience and other factors, including obtaining professional advice and expectations of future events that are believed to be reasonable under the circumstances. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to estimates are recognized prospectively. Significant area where management has used estimates, assumptions or exercised judgement is as follows:

Going concern

The Board of Directors in conjunction with the Fund Manager made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, they are not aware of any material uncertainties that may cast significant doubt upon the Fund's ability to continue as a going concern. Therefore, the financial statements continue to be prepared on the going concern basis.

6. NEW STANDARDS, REGULATIONS, AMENDMENTS AND INTERPRETATIONS ADOPTED BY THE FUND

6.1 *New regulations effective during the year*

The Ministry of Finance, through Ministerial Resolution No. (29791) dated 9 Jumada-al-Awwal 1444 H (which corresponds to December 3, 2022), has approved the Zakat Rules for Investment Funds that are permitted by the CMA. These rules take effect from January 1, 2023, and require Investment Funds to register with the Zakat, Tax, and Customs Authority (ZATCA). The Rules also mandate Investment Funds to submit a zakat information declaration to ZATCA within 120 days after the end of their fiscal year, which should include audited financial statements, records of related party transactions, and any other data requested by ZATCA. According to the Rules, Investment Funds are not subject to Zakat if they do not engage in unstipulated economic or investment activities as per their CMA-approved Terms and Conditions. The Zakat collection will be applied to the Fund's Unitholders. During the current year, the Fund Manager has completed the registration of the Fund with ZATCA and will be submitting the zakat information declaration as required.

6. NEW STANDARDS, REGULATIONS, AMENDMENTS AND INTERPRETATIONS ADOPTED BY THE FUND (continued)

6.2 New standards, amendments and interpretations adopted by the Fund

The following new and amended IFRSs, are effective from annual reporting period beginning on 1 January 2023 and are adopted in these financial statements, however, they do not have any impact on the financial statements.

Standard, interpretation and amendments	Description	Effective date
Narrow scope amendments to IAS 1, Practice statement 2 and IAS 8/IFRS 1	The amendments aim to improve accounting policy disclosures and to help users of the financial statements to distinguish between changes in accounting estimates and changes in accounting policies.	Annual periods beginning on or after 1 January 2023
IFRS 17, ‘Insurance contracts’, as amended in December 2021	This standard replaces IFRS 4, which previously permitted wide variety of practices in accounting for insurance contracts. IFRS 17 fundamentally changes the accounting all entities that issue insurance contracts and investment contracts with discretionary participation features.	Annual periods beginning on or after 1 January 2023
Amendment to IAS 12-deferred tax related to assets and liabilities arising from a single transaction	These amendments require companies to recognise deferred tax on transactions that, on initial recognition give rise to equal amounts of taxable and deductible temporary differences.	Annual periods beginning on or after 1 January 2023

NOTES TO THE FINANCIAL STATEMENTS (Continued)

At 31 December 2023

6. NEW STANDARDS, REGULATIONS, AMENDMENTS AND INTERPRETATIONS ADOPTED BY THE FUND (continued)

6.3 Standards issued but not yet effective

Standard, interpretation and amendments	Description	Effective date
Amendments to IAS 1, 'Presentation of financial statements', on classification of liabilities	These narrow-scope amendments to IAS 1, 'Presentation of financial statements', clarify that liabilities are classified as either current or noncurrent, depending on the rights that exist at the end of the reporting period. Classification is unaffected by the expectations of the entity or events after the reporting date (for example, the receipt of a waiver or a breach of covenant). The amendment also clarifies what IAS 1 means when it refers to the 'settlement' of a liability.	Deferred until accounting periods starting not earlier than 1 January 2024
Amendments to IAS 1, Non-current Liabilities with Covenants	Non-current Liabilities with Covenants amends IAS 1 Presentation of Financial Statements. The amendments improve the information an entity provides when its right to defer settlement of a liability for at least twelve months is subject to compliance with covenants. The amendments also respond to stakeholders' concerns about the classification of such a liability as current or non-current.	Annual periods beginning on or after 1 January 2024
Amendments to IFRS 10 and IAS 28	Sale or contribution of Assets between an Investor and its Associate or Joint Ventures	Available for optional adoption/effective date deferred indefinitely
Amendment to IFRS 16, Lease Liability in a Sale and Leaseback	Lease Liability in a Sale and Leaseback amends IFRS 16 by adding subsequent measurement requirements for sale and leaseback transactions.	Annual periods beginning on or after 1 January 2024

7. FINANCIAL ASSETS AT FAIR VALUE THROUGH PROFIT OR LOSS - FVTPL

* Funds Managed by the Fund Manager

Movement of unrealized gain / loss on re-measurement of investment classified as 'financial assets at FVTPL:

	2023	2022
Fair Value as at 31 December	4,427,116	7,364,710
Cost as at 31 December	(3,782,930)	(7,274,636)
Unrealized gain as at 31 December	644,186	90,074
Unrealized gain as at 1 January	(90,074)	(626,644)
For the year movement	554,112	(536,570)

8. CASH AND CASH EQUIVALENTS

Cash with custodian	81,372	22,146
	81,372	22,146

9. TRANSACTIONS WITH RELATED PARTIES

Related parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. In considering each possible related party relationship, attention is directed to the substance of the relationship, not merely the legal form.

Related parties of the Fund include the Fund Manager, the Fund Board, other funds managed by the Fund Manager and key employees.

As per the revised terms and conditions, dated 23 February 2016, the Fund Manager will not charge management fees to the Fund with effect from 1 January 2016. Accordingly, no management fee has been charged in the statement of comprehensive income for the year ended 31 December 2023 and 31 December 2022. The Fund Manager charges other fees at a maximum rate of 1.5% per annum calculated based on the total net asset value at each valuation date to meet other expenses of the Fund. Other expenses amounting to USD 23,371 (2022: USD 36,201) included in the statement of comprehensive income, represent the expenses charged by the Fund Manager during the year as prescribed above.

The accrued expenses payable to the Fund Manager at the year-end is disclosed in the statement of financial position.

Professional and legal fees	6,123	5,819
	6,123	5,819

11. FINANCIAL ASSET AND FINANCIAL LIABILITY

Set out below is an overview of financial asset, other than cash and cash equivalents, held by the Fund as at 31 December 2023 and 31 December 2022.

	<i>2023</i> <i>USD</i>	<i>2022</i> <i>USD</i>
<i>Financial asset at fair value through profit or loss</i>		
Investments at fair value through profit or loss	4,427,116	7,364,710
Total financial asset	4,427,116	7,364,710

12 FAIR VALUE OF FINANCIAL INSTRUMENTS

The Fund measures its investments in financial instruments, such as equity instruments, at fair value at each reporting date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Fund. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The fair value for financial instruments traded in active markets at the reporting date is based on their closing price on the reporting date.

The Fund has only investments at fair value through profit or loss which is measured at fair values and are classified within level 2 of the fair value hierarchy. All other financial assets and liabilities are classified as amortised cost and management believes that the fair value of all other financial assets and liabilities at the reporting date approximate their carrying values owing to their short-term tenure and the fact that these are readily liquid. There were no transfers between various levels of fair value hierarchy during the current year or prior year.

FAIR VALUE HIERARCHY

The following table provides the fair value measurement hierarchy of the Fund's financial assets as at 31 December 2023 and 31 December 2022. There are no financial liabilities measured at fair value.

	<i>Total USD</i>	<i>Fair value measurement using</i>		
		<i>Quoted prices in active markets (Level 1) USD</i>	<i>Significant observable inputs (Level 2) USD</i>	<i>Significant unobservable inputs (Level 3) USD</i>
<i>As at 31 December 2023</i>				
<i>Financial asset measured at fair value</i>				
Investments at fair value through profit or loss	4,427,116	-	4,427,116	-
<i>As at 31 December 2022</i>				
<i>Financial asset measured at fair value</i>				
Investments at fair value through profit or loss	7,364,710	-	7,364,710	-

13. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES

The Fund's principal financial liabilities are accrued expenses.

The Fund also has financial assets in the form of cash and cash equivalents and investments at FVTPL which are integral and directly derived out of its regular business.

The Fund's financial operations are exposed to following risks.

Credit risk

Credit risk is the risk that one party to a financial instrument will fail to discharge an obligation and cause the other party to incur a financial loss. The Fund does not have a formal internal grading mechanism. Credit risk is managed and controlled by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties. Credit risks are generally managed on the basis of external credit ratings of the counterparties. The Fund Manager seeks to limit its credit risk by monitoring credit exposure and by dealing with reputed counterparties.

The following table shows the Fund's maximum exposure to credit risk for components of the statement of financial position.

	<i>2023 USD</i>	<i>2022 USD</i>
Cash and cash equivalent with custodian	81,372	22,146
	81,372	22,146

The management has conducted an assessment as required under IFRS 9 and based on such an assessment, the management believes that there is no need for any significant impairment loss to be recognised against the carrying value of cash and cash equivalents.

13. FINANCIAL RISK AND MANAGEMENT OBJECTIVES AND POLICIES (Continued)

Liquidity risk

Liquidity risk is the risk that the Fund will encounter difficulty in releasing funds to meet commitments associated with financial liabilities that are settled by delivering cash or another financial asset.

The Fund's terms and conditions provide for the terms of subscriptions and redemptions of units and it is, therefore, exposed to the liquidity risk of meeting Unitholder redemptions. The Fund's investments are considered to be readily realisable. The Fund Manager monitors the liquidity requirements on a regular basis and seeks to ensure that sufficient funds are available to meet any commitments as they arise.

The undiscounted value of all financial liabilities of the Fund at the reporting date approximate to their carrying values and all are to be settled within one year from the reporting date.

Market risk

Market risk is the risk that changes in market prices - such as foreign exchange rates, special commission rates and mutual fund prices will affect the Fund's income or the fair value of its holdings in financial instruments.

The Fund's strategy for the management of market risk is driven by the Fund's investment objective as per Fund's terms and conditions. The Fund's market risk is managed on a timely basis by the Fund Manager in accordance with the policies and procedures in place. The Fund's market positions are monitored on a timely basis by the Fund Manager

Sensitivity analysis

The table below sets out the effect on profit or loss of a reasonably possible weakening /strengthening in the individual market prices by 5% which would in turn impact the value of the Mutual Funds into which the Fund investing at the reporting date. The estimates are made on an individual investment basis. The analysis assumes that all other variables, in particular commission and foreign currency rates, remain constant.

<i>Effect on profit and loss</i>	<u>2023</u>		<u>2022</u>	
		<i>USD</i>		<i>USD</i>
<i>Net gain / (loss) on investments held at FVTPL</i>	+5%	221,356	+5%	368,236
	-5%	(221,356)	-5%	(368,236)

Concentration of equity price risk

The following table analyses the Fund's concentration of equity price risk in the Fund's Mutual Fund portfolio, measured at FVTPL by geographical distribution (based on the place of domicile).

<i>% of units in mutual funds</i>	2023	2022
Kingdom of Saudi Arabia	100%	100%

Foreign currency risk

Foreign currency risk is the risk that the value of financial instruments will fluctuate due to changes in foreign exchange rates. The Fund does not have any significant exposure to currency risk as all its significant monetary assets and monetary liabilities are denominated in US Dollar. The Fund did not undertake significant transactions in currencies other than Saudi Riyals and US dollars during the year and Saudi Riyal is pegged to the US dollar.
